

Welcome to Devon Elementary School (DES)

You are at the beginning of a wonderful experience at DES and may feel overwhelmed by all the new information being sent your way. We have a program at the school called "**Dragon Buddies**" for new families that may help!

The **Dragon Buddy Program** partners existing Devon families with all new families entering the school community, at all grade levels. The aim of this program is to welcome new families to Devon, be a resource and answer any questions as your family navigates the school environment. We will find the best match for your family.

This program is run by the Parent Teacher Organization (PTO), which is an independent organization of parents that work closely with the school on a range of fundraising, social and educational activities. If you have any questions about the PTO, please visit our website at www.devonpto.org or contact the PTO Co-Presidents Kelly Myers at kemyers55@gmail.com or Raquel Murphy at rmurph0908@gmail.com. Now that you are registered with the school, you will also receive the PTO's weekly newsletter, the Devon Dispatch via the email address you provided to the school.

Are you interested in being paired with a Dragon Buddy? If so, please fill out the information on the next page and we will be in touch with you very soon. Thank you and welcome to DES!
